

APPENDIX D: SURFACE WATER DRAINAGE STATEMENT

STATE OF ILLINOIS)
)SS
COUNTY OF LAKE)

To the best of our knowledge and belief, the drainage of surface waters will not be changed by the construction of such subdivision or any part thereof or that if such surface water drainage will change, reasonable provisions have been made for collection and discharge or surface waters into public or private area and/or drains which the developer has a right to use and that such surface waters will be planned for in accordance with generally accepted engineering practices so as to reduce the likelihood of substantive damage to the adjoining property because of the construction of the subdivision.
