* READ: Chapters 1254 and 1260 for conditional use and accessory use regulations and Chapters 1250 and 1252 for supplementary and special district regulations.
** Includes permitted and conditionally permitted uses, as listed in Part 1 of this Official Schedule of District Regulations.
*** Unless superseded by fire separation requirements of the Ohio Basic Building Code for multiple-family occupancy and type of construction.
**** Plus off-street parking for two vehicles in addition to garage requirements.
$\mathrm{a}=35$ feet for a lot fronting on a major thoroughfare.
$\mathrm{b} \quad=\quad$ If 8,400 square feet of green space is provided for every multiple of 3 dwelling units, 2,500 square feet is permitted
c $\quad=\quad$ If 8,400 square feet of green space is provided for every multiple of 3 dwelling units, 5,000 square feet is permitted.
$\mathrm{d}=$ If 8,400 square feet of green space is provided for every multiple of 3 dwelling units, 2,500 square feet is permitted.
$\mathrm{e} \quad=\quad 10$ feet when adjacent to an R District.
$\mathrm{f}=15$ feet when adjacent to an R District.
g $=40$ feet when adjacent to an R District
$\mathrm{g}=30$ feet when adjacent to an R District.
i $=$ Must be on a major or minor arterial road.
$j=$ Or 20 feet from a property line, whichever is greater, but 50 feet when adjacent to an $R$
$\mathrm{k}=50$ feet from structures on adjacent road.
$\mathrm{l}=40$ feet from an R District.
$\mathrm{m}=$ No accessory structure or use, attached or detached from the principal structure, shall extend beyond the front setback line for any district, as provided in this section.
